

Heather Singh
Design and Construction Professional

Heather has been in the commercial design and construction industry for 20 years, and has worked with many local, national, and international brands, bringing spaces to life in retail and restaurant interiors. For Heather, great design is about creating memorable experiences that address an organization's goals, reflect their brand, and enhance their culture.

Heather holds a Diploma in Interior Design from BCIT, is a LEED Accredited Professional, and has a Certificate in Fashion Sustainability from the London College of Fashion, University of the Arts London.
